On this site you can order TNC Vouchers which will be sold directly by you to the customers. (price of TNC Vouchers does not include VAT, meaning that you should charge to the customer the price of the TNC Voucher + local VAT). VAT for this service will vary according to the specific location. The profit on the TNC Voucher is generated after these are used up for Internet connection by the customer.

Minimum charge for TNC Vouchers is 10 EUR.

After filling out the TNC Voucher order, you are allowed to change, delete or confirm the order.

After confirmation you will get to the payment portal where you can pay for the order by credit card, or by a direct bank transfer through a secured transaction. TNC Global will get your payment information in 2 – 3 minutes, in case the payment is issued through Intesa BCA Group. Following this information you will get an official electronic payment

receipt signed with electronic signature. In case you decide to use another bank, the transaction might take 2 – 3 days.

Attached to your invoice is a detailed overview of Internet connections to your TNCspot.

The invoice you can print once a month and you can send it to TNC Global using conventional mail, or you can send it electronically via e-mail, signed by electronic signature. We will pay then transfer the amount from the invoice to your account.

Due to high banking transactions, the minimum transfer for which TNC Global pays the transaction fees is 200 EUR. In case you would prefer to receive a transfer which is less than 200 EUR, the bank transaction fees are paid by you.

You depart (Logout) from your personal account.

Security precautions in case of abusing your login name and password to your TNC account:

In case someone would try to abuse or even change your login, password and banking information to your TNC account, you will automatically get from TNC Global information concerning these changes. Should these be made without your knowledge and consent, please inform our customer care center and your account will be blocked until the initiation and legality of these changes is not solved.
